REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

In a liquid material supply system having reservoir, a supply device, a pressure reducing valve, a primary supply line between the supply device and the pressure reducing valve, a discharger, a secondary supply line connecting the pressure reducing valve to the discharger, and an on-off valve connected to the supply line, the inclusion of a pressure sensor at the inlet port of the discharger controlling via a controller the on-off valve in response to the pressure in combination with an accumulator in the secondary supply line between the on-off valve and the inlet port of the discharger was not found or fairly suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kenneth Bomberg whose telephone number is 703-308-2179. The examiner can normally be reached on Monday, Tuesday, Thursday and alternative Fridays.
